RESOURCES AVAILABLE FOR YOUTH PROTECTION WEEK

Kiwanis International will observe Youth Protection Week from October 11-15. It's a great time for clubs to conduct important youth protection training, evaluate club compliance and learn about new resources. You can sign up for webinars on conducting background checks, youth protection policies and procedures, creating a culture of care and more.

Nothing is more important than the safety and well-being of those we serve — and of the Kiwanians who serve them. Your club's participation in Youth Protection Week is crucial to the commitment all Kiwanians must share.

KIWANIS ONE DAY IS OCTOBER 23

Every year, Kiwanis club members around the world gather on the fourth Saturday in October for Kiwanis One Day. It's a day set aside for clubs to work together to better their communities — and to invite friends and family to join them.

This year, Kiwanis One Day will be October 23, 2021. As many clubs return to active service, be sure your club follows local guidelines and restrictions for gathering.

If your club can participate in a One Day activity, these resources can help:

- **Toolkit.** Got a game plan? Click here to get one, including project ideas.
- **Media resources.** We've got you covered with a customizable news release, social media posts and graphics and an invitation to help. Visit the media relations page for tips and more resources for working with the media and creating awareness for your club.
