LIVE KIWANIS OUT LOUD

Your club makes an impact in your community. So make sure the community knows the Kiwanis name. One way is through Kiwanis-branded gear.

Planning an event to support your community? Make sure you and your club members amplify your efforts with [apparel and accessories](#) that feature the Kiwanis logo. In fact, bearing the Kiwanis brand can unify members — even if you're separated by physical distance. It's a small-seeming thing that can make a big difference during a project.

[Branded apparel](#) helps demonstrate that your Kiwanis club is united for a cause. When a group of volunteers wear the Kiwanis brand, people feel taken care of. And taking care of communities is what Kiwanis members are all about.

Kiwanis leaders project confidence when they wear branded gear. Community leaders instantly recognize your connection to the work you do and the causes you support. In fact, looking the part encourages opportunities for new community relationships.

Are your club meetings and events taking place online right now? The [Kiwanis Family Store](#) has options for “virtually” any occasion. Looking the part and showing Kiwanis pride is important even — or especially — if you can’t be together in person.
