WORKING WITH OTHERS, SELF-CARE & SIX OTHER TOPICS FOR LEADERS

Everyone can identify a great leader. But what makes a leader great?

It takes education and training. That's why we're introducing Kiwanis Amplify — a leadership program for Kiwanians who want to amplify their skills to help them build and lead a team. Participants will take a deep dive into eight leadership topics led by experts in each field. Meet three of the nearly 40 content experts who have been confirmed already. Meet all the experts at kiwanis.org/amplify.

HANDLING CHALLENGING PEOPLE AND SITUATIONS

PRESENTED BY KYLE ZAMCHECK

Trust and communication are important in any team setting. But what can a leader do if they're having problems with challenging people and situations? They should turn to the art of persuasion. The first step is cultivating a strong interpersonal relationship. Then develop stronger listening skills to identify how people communicate through their values.

Develop your skills to handling challenging people and situations in the Working with Others module in [Kiwaniis Amplify](#).

SELF-WORTH AND STEPPING INTO YOUR POWER

PRESENTED BY LAVAR THOMAS

There are times when our inner negative conversation takes over and leads us to overfocus on our setbacks instead of our value. Without regaining control over our thoughts and internal narrative, we can quickly become our own villain. To step into our power, we must recognize our value and then decide to embrace our uniqueness and navigate our leadership journey as our authentic selves.

THE GENERATIONAL GAP

PRESENTED BY TESS BRIGHAM

There are currently five generations in the workplace. It's critical to learn how to communicate effectively and understand what motivates the people you lead and those who lead you. Understand each generation, what influences them, what they value and what motivates them to be the most effective leader possible.

Learn the similarities and differences of each generation in this segment of Kiwanis Amplify. [Enroll today.](#)

LEARNING AND LIVING LEADERSHIP OUT LOUD

Kiwanis Amplify participants can work through the material at their own pace and will have the chance to interact in online discussions with cohorts moving through the curriculum. The program culminates with an in-person or online session during

the 2021 Kiwanis International Convention in Salt Lake City, Utah, June 23-26, 2021.

The participation fee is US\$200 and gives members access to all 56 segments and related material. Individuals may pay the registration fee themselves; a club, division or district may sponsor participants for Kiwanis Amplify as well.
