MAKE YOUR SERVICE COME ALIVE

If your club is going to survive, you need to meet people where they are — on social media. The average person spends 145 minutes per day browsing, commenting and sharing. Learn to use images, videos and words in powerful ways so your club can help more kids thrive. It's one of 22 master classes offered for attendees. [See the entire schedule.](#)

2022 KIWANIS CONVENTION SPEAKER: DAN FAILL

Dan Fail helps people be brave enough to have conversations that matter. Fail will use humor and stories from his life to teach Kiwanians the best way to inspire youth leaders. It's important to know when, where and how to have important conversations that can change the trajectory of an inspiring leader. Visit the Kiwanis Launchpad on Thursday, June 9, and learn to use your influence to mentor youth leaders so they can accomplish their biggest dreams.
